

COLLOQUIUM LOGICUM 2008
SEPTEMBER 10-12, TU DARMSTADT, GERMANY

The biennial meeting of the German Society for Mathematical Logic (DVMLG), Colloquium Logicum 2008, will be held at the Technische Universität Darmstadt, September 10-12, 2008.

The scientific programme comprises

- Herbrand Centenary Lecture
Georg Kreisel, F.R.S., Salzburg
- Invited plenary lectures by
Hans Adler (Leeds)
Sergei Goncharov (Novosibirsk)
Joel David Hamkins (New York)
Robert Lubarsky (Florida)
Nicole Schweikardt (Frankfurt)
Michiel van Lambalgen (Amsterdam)
- plus a PhD Colloquium with the presentation of selected recent PhD Theses in Logic as well as contributed talks.

Further details about the meeting, registration, etc. will be published on the meeting's homepage in the near future:
